Road Rage Driver Danger to the Public

Date: November 1, 2022

Location: 3200 block of Doniphan

Vehicle: A late model Ford Mustang black in color, dark tinted window, black rims, possibly bearing unknown Texas plates. The top portion of the windshield possibly has a bullet hole.

El Paso, Texas — The El Paso Police Department is attempting to identify the driver of a vehicle involved in a road rage incident last night. The victim was driving east at the 3200 block of Doniphan in a one lane construction zone area being tail-gated by a late model Ford Mustang black in color. Backed up traffic forced the victim to brake and at the time the driver of the Mustang fired one shot at the victim's vehicle. The round went through the trunk and embedded into the rear passenger seat where the victim's eight- year old son was seated. Thankfully, the round did not penetrate through the seat and the child was unharmed.

If faced with a potential incident of road rage drivers should, as soon as possible disengage by creating distance away from the other driver. If followed, drive to a parking lot where there are other people. Call 911.

Anyone with information involving the vehicle or driver is asked to call Crimes Against Persons at (915) 212-4040 or to remain anonymous Crime Stoppers of El Paso at (915) 566-TIPS (8477)
